UniCover Plus

Clear finish at the front and matt finish at the back

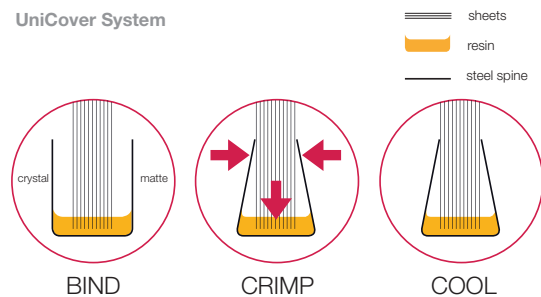

Matt finish at the front and clear finish at the back

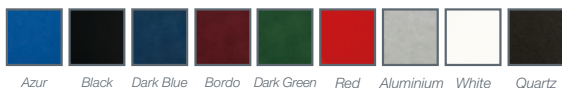

Features and benefits:

- The antistatic paper guarantees 100% bound documents.
- A perfect presentation directly reflects the quality of the products and services you provide
- Improve the impression you make on customers and prospects with a beautiful presentation
- A transparent or matte finish can be used as front or back of the cover
- The metallic spine gives your document more brightness
- The spine is crimped to a neatly finished spine
- The steel spine guarantees a solid, durable binding.
- The crimping movement pushes the paper extra in the binding resin for a guaranteed binding quality
- Your documents can be edited quickly and easy
